[ORDER NO. R. 1589-1677—L.R. 209-47-2, DATED BANGALORE, THE 24TH AUGUST 1948.

The Bangalore District, as at present constituted, is a heavy charge comprising Eleven Taluks and the City of Bangalore. The normal work in the District has considerably increased in all the departments. The question of giving relief to the Deputy Commissioner, Bangalore District, either by bifurcating the District or by other suitable arrangements has been under the consideration of Government for some time past. Government have carefully considered the question in all its aspects and have come to the conclusion that in the interests of the work and the efficient administration of the District the bifurcation of the District is an urgent necessity and have therefore decided to bifurcate the District and to bring the scheme of bifurcation into effect immediately.

The new District will be known as Bangalore District (Urban). It will comprise the present Civil Station and the Bangalore Sub-Division consisting of the Taluks of Bangalore South and Bangalore North including Bangalore City, while the present Bangalore District will be left with the Dodballapur and the Closepet Sub-Divisions comprising the Taluks of Dodballapur, Nelamangala, Hoskote, Devanhalli, Anekal, Kankanhalli, Closepet, Channapatna and Magadi. Separate orders will issue regarding the staff.

A notification regarding the constitution of the new District will issue separately.
